Demo Instructions for Subscribers

The Collaborative Institutional Training Initiative (CITI Program) at the University of Miami is a leading provider of research ethics education content. Our web-based training materials serve millions of learners at academic institutions, government agencies, and commercial organizations in the U.S. and around the world.

Comprehensive web-based training courses are offered in Animal Care and Use (ACU), Biosafety and Biosecurity (BSS), Export Control (EC), Good Clinical Practice (GCP), Human Subjects Research (HSR), Information Privacy and Security (IPS), and Responsible Conduct of Research (RCR) including Conflicts of Interest (COI).

All training is available to organizational and independent subscribers including international users via our online platform. This document provides instructions on how to demo available content.

Step 1. Get started by logging into your account at citiprogram.org.

Step 2. From the Main Menu of your learner profile, select “Click here to affiliate with another institution.”
Step 3. Affiliate to the demo by searching for and selecting “DEMO,” and completing the ensuing registration steps.
